**Casemate Geli Case - iPhone 4**

Stand out from the sea of monotonous cases with the Gelli iPhone 4 case. Striking patterns and flashes of translucent colours blend together for an eye-catching case that offers protection and individual style.

Using cutting-edge flexible thermoplastic material, the form fitting shape absorbs impacts and offers a soft grip. Geometric patterns and shapes create a sense of dimension and flair with the vibrant colours. Lighter and more resilient than silicone and rubber cases, the Gelli is a slim and sleek way to protect your iPhone.

**Features**

- Specially engineered thermoplastic, flexible material
- Form fit feature covers back and corners
- Featuring translucent colours and patterns
- Impact resistant material
- Access to all ports and controls
- Screen protection kit included

Price (ex VAT): £14.95

<p><b>Casemate Tough Case - iPhone 4</b></p> <p>This iPhone 4 Case offers you tough protection with 2 layers. First, a silicone skin surrounds your iPhone 4 completely, absorbing all impact and shock. Wrapped around the skin is a tough, ABS plastic shell, which completely secures your iPhone 4 and adds another level of protection.</p> <ul style="list-style-type: none"> <li>• For active lifestyles, hiking to the boardroom or football practice</li> <li>• Complete access to all iPhone 4 ports and buttons</li> <li>• iPhone 4 screen protection kit included</li> </ul> <p>Product Codes:</p> <p>ACCCMTIP401 – Black/Black, ACCCMTIP402 – Black/Green, ACCCMTIP403 – Black/Pink, ACCCMTIP4G04 – Black/Yellow</p>	 <p>Price (ex VAT): £24.95</p>
<p><b>iPhone 4 - Bumper Case</b></p> <p>Made of a tough but flexible rubber material, this iPhone 4 bumper is built to last. And the bright colour will really add a splash of unique style to your phone.</p> <p>Designed specifically for the iPhone 4, the bumper offers wrap-around protection from minor damage without impeding access to any of the phone's functions. All buttons and ports are still easily accessible while the bumper is on the phone.</p> <p>Due to its flexible nature, the iPhone 4 rubber bumper is easy to apply to your device, where it is held securely in place. Should you feel the need to change it, perhaps for another colour from the range, it is just as simple to remove.</p> <p>Product Codes:</p> <p>ACCIP4CAS01 – Black, ACCIP4CAS02 – Clear, ACCIP4CAS03 – Pink, ACCIP4CAS04 – Purple and ACCIP4CAS05 – Smoke</p>	 <p>Price (ex VAT): £9.95</p>
