- **Secure mobile email** with DME²
 - **Ditch your paper notebook** and use Evernote instead²
 - **Edit and create** Word, Excel and Powerpoint documents on your table²
 - **VGA and HDMI adapters** allow you to deliver presentations²

Apple iPad 2 (16GB)

Thinner, lighter and full of great ideas. Once you pick up iPad 2, it'll be hard to put down. That's the idea behind the all-new design.

It's 33% thinner and up to 15% lighter, so it feels even more comfortable in your hands.

And it makes surfing the web, checking email, watching movies, and reading books so natural, you might forget there's incredible technology under your fingers.

- All new design – less in your hands, more in your finger tips
- Dual-core A5 chip – it's fast, times two
- Two cameras – Facetime, HD Video and lots more to smile about
